**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

With my previous provider, AT&T, my internet service was so slow, I was unable to stream without the "buffer" message. When I complained to provider, their answer was that I should "upgrade" which would mean a higher monthly charge.

Needless to say when Sonic came to town offering Fiber Optic Service, I couldn't switch providers quick enough.

As a consumer, believed more competition benefits all. With less competition, we open the door to higher prices and less service.
